Dear Mr. Heldebrand:

I want to again thank you for your testimony before the Select Committee on CALFED on August 5, 1998. Your comments were very helpful.

It was recently brought to my attention that you, as a BDAC member, made a request of CALFED staff, but were denied. Specifically, you requested a model be done of the "through the Delta" conveyance system. If the information I've received is accurate, may I impose upon you to share with me your thoughts on this request and the explanation CALFED gave you for denial?

Thank you in advance for your efforts.

Sincerely,
